

WANT TO OWN A PLANET?

We have several ways to purchase naming rights for the Observatory:

- Stars & Star Clusters
- Planets
- Moons
- Galaxies & Nebulae
- Observatory spaces such as the Lecture Hall, Planetarium, Maker's Space, Star Plaza, the Observatory and so much more!

Find us on Facebook!

Our telescope room is now open every Friday - Sunday at the Evergreen Air & Space Museum in McMinnville, OR 97128

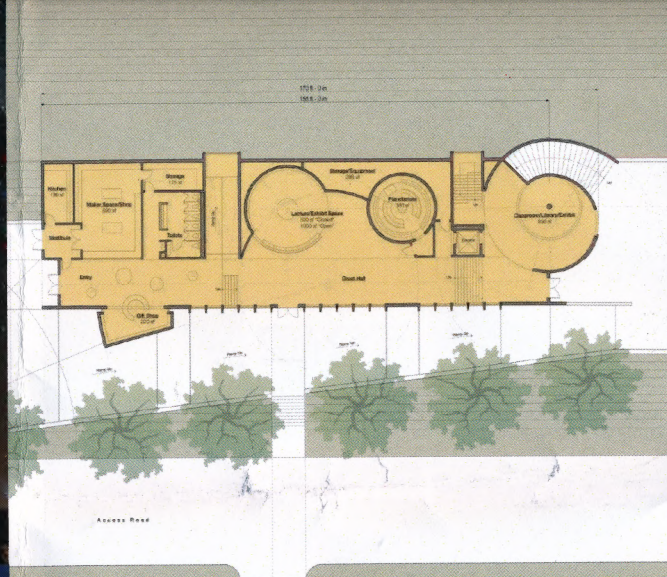

Fostering an engaged,
imaginative, and
scientifically
literate community.

WHAT WE'RE BUILDING

THE MAKER'S SPACE
THE WONDER ROOM
THE GREAT HALL
THE STAR PLAZA
THE PLANETARIUM
THE OBSERVATORY

OUR VISION

The Carlton Observatory at Evergreen will provide unique, interactive science opportunities for students, teachers, families, and visitors to Yamhill County. Partnering with local schools and colleges will bring research ventures, STEM projects, and ongoing engagement with the community.

The Carlton Observatory at Evergreen will create an environment in which imagination, critical thinking skills, and resourcefulness are incorporated into all aspects of one's life.

MAKE YOUR DONATION TAX EFFICIENT!

- Donate highly appreciated securities – The Carlton Observatory can facilitate accepting a donation of stocks, mutual funds, or ETFs. Securities with high capital gains can be donated and you get a **double** tax benefit. Don't pay the capital gains and write off the full amount of the donation!
- Donate through your Require Minimum Distribution from your IRA - If you are over the age of 72, you are required to distribute a minimum amount out of your tax sheltered retirement accounts. Donate it to the Carlton Observatory instead and don't pay the income tax!

HOW CAN I GET INVOLVED?

There are numerous ways you can support this endeavor. You can donate online or buy "stars" (instead of bricks) that will be displayed as a permanent art installation. We have an online merchandise page. You can host a star party or wine dinner and we will bring the telescopes to you. Or you can share this project with your friends and family, volunteer, and encourage community involvement.
